

## GOETHALS TAKES REINS AS DIRECTOR OF TRANSPORTATION

Gen. George W. Goethals today assumed his duties as director of War Department transportation and storage, and one of his first acts was to outline plans for the co-ordination of a number of bureaus which have in the past worked independently. He will directly supervise transportation of all ordnance, engineers, signal corps, aviation service, and coast artillery material, as well as quarter-master supplies and troops.

Inefficiency in the past, General Goethals, told the House Military Affairs Committee yesterday, has been due to the fact that too few business men were in the quartermaster's division. Much of the important detail work, he said, was left to army officers, who were not experienced in the handling of such work.

More than 1,500 men, it is said, who called to qualify as officers after courses in the training camps had been placed in the quartermaster's division. General Goethals may ask for the transfer of many of these men, on the ground of inefficiency.

## DAVID LAMAR BROKE ATLANTA PRISON RULES

ATLANTA, Ga., Jan. 8.—David Lamar, known as "the wolf of Wall Street," and serving a two-year term in the Federal prison here for impersonating former Congressman A. Mitchell Palmer, will have to remain in the prison for a longer period because he has been guilty of an infraction of prison rules which forfeited his allowance of "good time."

It is believed that when he is released Lamar will be rearrested by New York authorities and taken to that State and sent to Blackwell's Island for one year.

## W. SCOTT SIMS, INVENTOR OF WAR ENGINES, DIES

NEWARK, N. J., Jan. 8.—Winfield Scott Sims, inventor of instruments of war, is dead here today at the age of seventy-four years. His invention, the Sims-Dudley dynamite gun, was used by Cuban insurgents and also by the Rough Riders in the battle of Santiago.

Mr. Sims was the inventor of a wireless dirigible torpedo, five of which he sold in 1907 to the Japanese government. Another of his inventions was an airplane dynamite gun. When his health failed two years ago, he was working on a dynamite cruiser to carry 100 tons of high explosives.

## HYATTSVILLE TO SINK TWO ADDITIONAL WELLS

HYATTSVILLE, Md., Jan. 8.—Hyattsville's water shortage, which has been inconveniencing citizens here for the past year, will soon be alleviated by the practical doubling of the supply, following a meeting of the City Council last night at which two new wells were authorized as an adjunct to the six wells already in operation.

## TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity. Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion

Doubleless if you are a sufferer from indigestion, you have already tried, perhaps, soda, charcoal, drugs and various digestive aids, and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic, just try the effect of a little blundered magnesia—not the ordinary commercial carbonate, citrate, oxide or milk, but the pure blundered magnesia, which you can obtain from Liggett & Rippey, Hyattsville, Drug Store, or practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach, which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn, and the bloated or heavy lumpy feeling that seems to follow most everything you take. You will find that everything you take a little blundered magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow, and moreover, the continued use of the blundered magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "brown mouth"—a bad breath—a dull, tired feeling—a sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them 10c and 25c per box. All druggists.

# Opportunity Day
